- 1. A Final Office Action was mailed on January 14, 2004.
- 2. Applicants filed a Response on April 8, 2004.
- 3. An Advisory Action was mailed on May 5, 2004.
- 4. A Telephone Interview was conducted on May 26, 2004.
- 5. Applicants filed a Response by facsimile based on the Advisory Action and the Telephone Interview on May 27, 2004, believing that the claims, which were amended based on a telephone interview with the Examiner and his Supervisor, would be in condition for allowance.
- 6. The Examiner called on September 15, 2004, stating that the application is now abandoned for failure to respond to Advisory Action. During the conversation, the Examiner stated that he had not received the facsimile response filed on May 27, 2004.
- 7. Applicants filed a Petition to Withdraw the Holding of Abandonment on September 17, 2004, submitting a copy of the facsimile filing of May 27, 2004, and a copy of the facsimile confirmation sheet to prove the transmission was successful. Accordingly, the petition and extension of time were granted. However, Applicants did not receive any correspondence about this case until March 22, 2005, when the Examiner issued an Advisory Action and a Notice of Abandonment.

Based on Applicants' evidence of facsimile filing on May 27, 2004, and the granted petition to withdraw the holding of abandonment, Applicants hereby contend that the application should not be in fact abandoned and request the withdraw of the holding of abandonment. Applicants also enclose an RCE for this case.
